CFC's Home Still Welcoming Guests to the State Fair

By Anya Armes Weber, CFC Communications

It's not too late.

Thousands of visitors have toured the CFC's Kentucky State Fair "home," in Louisville and you still have time. The Fair is open through Sunday Aug. 27. The hours are 9 a.m. to 10 p.m. daily.

Look for more information about the fair's music, exhibitors and events at

Don't miss out on seeing your cabinet's display!

The basketball action was fast and furious as CFC's Darrell Welch refereed outside the "garage" of the CFC State Fair Home.

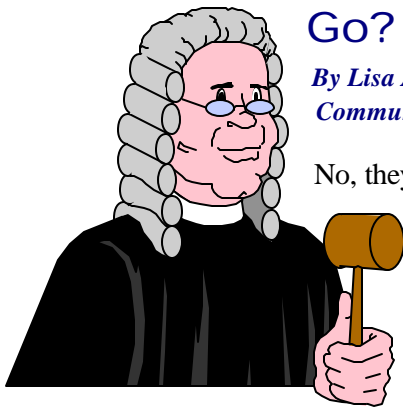

Face painting was a popular feature of the CFC and CHS displays at the State Fair.

Larry Doyle of Empower Kentucky was on hand to greet visitors and to introduce them to [KyCares.net](http://www.kycares.net), the online resource directory.

Where Did All The Lawyers Go?

By Lisa Aug, CFC
Communications

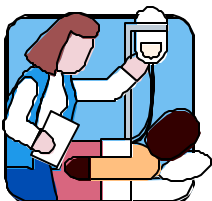

No, they're not hiding behind the black plastic surrounding the west end of the 4th Floor of the CHR building. As part of the Great CFC-CHS Floor Swap,

CFC's general counsel staff are making do with temporary quarters on 4C. That's right, the big, open, no-walls space across from the escalators.

CHS's OPS staff just moved from that area to their permanent space on 5W, where CHS' legal staff has also moved. CFC's general counsel staff will remain on 4C until 4W is repainted and recarpeted, which begins this weekend. Barring unforeseen circumstances, CFC's legal beagles hope to be back in their renovated space on 4W by November. In the meantime, they will keep their mail stop address of 4W-C.

The CFC Office of General Counsel main console phone numbers remain the same and we anticipate no down time for initial phone connections. Individual phone connections may be a little more difficult at first. We expect them to have full phone and computer service by Monday, August 28. Until then, we appreciate your patience. If you have any questions, comments or suggestions about the Great Floor Swap, please send them to lisa.aug@mail.state.ky.us.

Samantha Gliniewicz of McCracken County's Child Support Office is scheduled for surgery Sept. 18. She will be off work four to six weeks and needs donated sick leave. To donate time, call Jeanie Stone at 270-575-7051.
